BUSINESS DISTRICT PROPERTY SOLD

Frank Nagel Buys Buildings at No. 512 Washington Avenue and Nos. 513-515 St. Charles Street for \$300,000.

The activity in downtown real estate got further impetus yesterday by the purchase by Frank Nagel, the restaurateur, of property fronting on Washington avenue and St. Charles street between the May option, and the intention of Broadway and Sixth street, valued at "hanging the price on the rafters," atrived in the city from New York this

The deal embraces two sales, being at No. 312 Washington avenue, with a front age of twenty-three feet, owned by J. H age of twenty-three feet, owned by J. R. Beach, a nonresident, and Nos. 515-15 St. Charles street, having a frontage of forty-clant feet, from J. H. Hall. The price paid for the Beach property was \$6,00 a front toot, while the consideration in the purchase of the Hall noddings, which adopt on the rear, is understood to have been \$1,000 a front foot, aggregating in all Mr. Nagel stated last night that the pur

rived in the city from New York this morning.

The news of his presence was sufficient to start a buying panie on the board, and May wheat shot up 2 cents in the first hoar of trading.

But while the market felt various electrin touches, the man who is waging the tremenatous wheat control issue with the Armours was hurrying to the little suburban town of St. Charles, where his father, Asel F. Gates, is seriously ill and not expected to live.

That is given as the reason why trading on the board to-day was limited to That is given as the reason why trading on the board to day was limited to 26,000 bushels.

CHICAGO TRADESMEN ON TRIP.

the extent and effect of competition among
your town or vicinity, especially as to
the extent and effect of competition among
manufacturers and fobbers, employment
of peddlers difference between prices in
your town or vicinity, especially as to

tween communities. His plan is to seek information direct from the retail desires by mail, and the answers already received to his questions indicate that he is taking the right course.

QUESTIONS.

The first three questions asked relate to the name, business and address of the dealer. Question 4 is as follows: "State the price you paid per gallon for your purchase nearest to December 15, 1991, for each kind of oil and gasoline which you handle, giving name or brand of each. Please send purchase tickets or bills, if you have them. If you get a rebate from the information is to rates on oil. Other leading rail-took men will meet Mr. Gerifield. It is understood that the railroad men will welcome the opportunity of telling the Commissioner certain things in connection with the freight traffic in the State, as they are anxious to be set right about the matter.

OIL MEN TO HELP.

OIL MEN TO HELP. J. M. Parker, secretary of the Kansas Oil Producers' Association, is here to confer with Mr. Garfield. He came as the

Other questions are as follows: "Are the above prices delivered at your door? If not, what additional freight or drayage do you pay per barrel?

"If you buy oil and gasoline in barrels, how much do you get for the empty barrels, and how do you dispose of them?"

Those the concern from which you ough have a tank station or shipping point does the cit come?

"If you have accurate knowledge, state the most important changes in the prices of the two leading kinds of oil during the years 1901 to 1906, or as far back as your records show them. Indicate rebate, if

ARKANSAS'S PRISON

House Defeats Resolution to Mercantile Trust Company and Have Special Committee's Re | port Printed-Baking Powder in Pure-Food Measure.

Little Rock, Ark., April 12 - The House to-day, by a vote of \$2 to 21, refused to have the evidence of the special commit- York and the Mercantile Trust Company. tee from the House to investigate the af-fairs of the Sate Penticulary printed for (0.00) issue of the improvement bonds of

listribution. The evidence consists of more than a hundred typewritten pages and includes the statements of several convicts, guards and others concerning the care and treatment of State convicts at the farm and at the convict camps.

The objection raised to having this evidence printed was that the committee made its investigations and recomme dations as authorized by the flouse, which were accepted, and that the evidence was not properly a part of the report.

Besides, it was claimed that the publication of the statements of the convicts would only add to their punishment and would in no way benefit the State.

It was claimed that this evidence was taken with the understanding that no one except members of the tieneral Assembly would be allowed to read it.

The evidence will be flied with the clerk of the House, and the members who wish nations as authorized by the flouse, which

of the House, and the members who also to read it can then do so. ARNOLD BILL DEFEATED. The House defeated, 41 to 45, the Arnold

bill to relieve the Governor and Attorney General of duty as members of the State Penitentlary Board. A short time ago the Governor sent a special message to the Assembly requesting that he be released from duty on this board. Senator Gray of Fulaski introduced a bill

Senator Gray of ruleski introduced a bir-to authorize the city councils of cities of the first class to levy an employment tax upon corporations and persons receiving a sulary in excess of \$100 per month for the purpose of making a donation for a publie library.

The bill is for Little Rock, which can, should the bill pass, take such steps as will be necessary to have established in the capital city a Carnegle library. It was read twice and made a special order

was read twice and have a few for to-morrow morning.

The Senate to-day placed Representative Chapline's "pure-foot" bill back to second reading and referred it to the Committee on Public Health. In opposing the bill, Senator Gray of Lattle Rock declared it was a measure for and not against the

BAKING POWDER SUSPICIONS.
Senator Killough said that either side of the bill looked dangerous. The baking powder question, he said, seemed to be the only thing mentioned and there was airsedy a law on the statute to prohibit adulteration of focd.

The Senate passed Senator Thompson's bill to prohibit any person from operating shooting saileries, bunch counters, etc., within half a mile of cemeteries on become-
